Stalked Apr 16 2020 Stalked Allison Brennan Lucy Kincaid returns—as a killer's obsession. IN THE GAME OF CRIME A new trainee at the FBI Academy in Quantico, Lucy Kincaid has already seen more than her share of murder and mayhem. Still reeling from the sex-crime case that sealed her reputation, she's found a true friend and mentor in Agent Tony Presidio. No matter what goes down at the Bureau, Tony's got her back—until he's called to New York to help investigate the murder of a reporter with ties to Lucy. NEVER PLAY THE VICTIM But the reporter may not be the first victim of a patient killer with a penchant for revenge, and she's definitely not the last. When the FBI is rocked by the death of one of their own, Lucy seeks the help of her boyfriend, private investigator Sean Rogan, to help put together the puzzle—and puts her career in jeopardy. Shattered Nov 11 2019 New York Times bestseller Allison Brennan's two series collide in Shattered, a powerful, enthralling

read about the craving for revenge and the desire for justice. Over a span of twenty years, four boys have been kidnapped from their bedrooms, suffocated, and buried nearby in a shallow grave. Serial killer or coincidence? That's the question investigative reporter Maxine Revere sets out to answer when an old friend begs her to help exonerate his wife, who has been charged with their son's recent murder. But Max can do little to help because the police and D.A. won't talk to her—they think they have the right woman. Instead, Max turns her attention to three similar cold cases. If she can solve them, she might be able to help her friend. Justin Stanton was killed twenty years ago, and his father wants closure—so he is willing to help Max with her investigation on one condition: that she work with his former sister-in-law—Justin's aunt, FBI Agent Lucy Kincaid. Trouble is, Max works alone, and she's livid that her only access to the case files, lead detective and witnesses depends on her partnering with a federal agent on vacation. She wants the career-making story almost as much as the truth—but if she gets this wrong, she could lose everything. Haunted by Justin's death for years, Lucy yearns to give her family—and herself—the closure they need. More important, she wants to catch a killer. Lucy finds Max's theory on all three cases compelling—with Max's research added to Lucy's training and experience, Lucy believes they can find the killer so justice can finally be served. But the very private Lucy doesn't trust the reporter any more than Max trusts her. Max and Lucy must find a way to work together to untangle lies, misinformation, and evidence to develop a profile of the killer. But the biggest question is: why were these boys targeted? As they team up to find out what really happened the night Justin was killed, they make a shocking discovery: Justin's killer is still out there ... stalking another victim ... and they already may be too late.

Cold as Ice Sep 14 2022 In New York Times bestseller Allison Brennan's Cold as Ice, FBI Agent Lucy Kincaid must get into the head of a psychopath to save her family, and herself Two years ago, FBI Agent Lucy Kincaid put psychopath Elise Hansen Hunt in juvenile detention for her role in an organized crime syndicate. Now eighteen, Elise has been released with a clean slate, and plans to take her revenge by making Lucy's life hell. The plot begins with Lucy's husband Sean Rogan, who has been arrested for a murder he most certainly did not commit. Lucy is determined to prove Sean's innocence, but is warned off the case by her boss. As she calls in reinforcements, she learns that Sean's brother Kane is missing in Mexico, her partner Nate Dunning has been arrested for possession of cocaine, and her friend Brad Donnelly has been kidnapped outside DEA headquarters. Lucy realizes that Elise doesn't have the resources or patience to execute such a devious plan. Did Elise's father orchestrate everything from prison? Or is there someone even more calculating seeking revenge on Lucy by hurting the people she loves? One thing is certain: if Lucy doesn't find the answers fast, Sean will die.

If I Should Die (with bonus novella Love Is Murder) Jan 26 2021 If I Should Die includes Allison Brennan's chilling novella Love Is Murder, formerly available exclusively as an eBook! After Lucy and Sean pursue an arsonist into an abandoned mine shaft, Lucy stumbles upon an even more heinous crime—and the perfectly preserved remains of its victim. The only thing more disturbing than the discovery of the corpse is its sudden disappearance. While the local police remain skeptical, Lucy is dead certain that there’s a connection between the sabotage at the resort and the murder—one that the less-than-neighborly citizens of Spruce Lake seem to have a stake in keeping hidden. Then, when a cold-blooded sniper targets Sean and Lucy, FBI agent Noah Armstrong enters the fray to ensure that more bodies don’t hit the ground. Now three outsiders race to untangle a violent conspiracy before they end up like the rest of Spruce Lake’s secrets: dead and buried.
