Not illustrated. 1893 edition. Excerpt: ...cases of yarn, sweeping the floors and H running errands for the overlookers; but it was the only work which Binney Driver could find for a woman to do, and it left her the afternoons and evenings. Still, I was surprised that she should need to accept it, and " axin' about," I learned something I might have known long before if I had been of a gossiping turn. The women had boycotted her. The boycott had set in after a strange dramatic scene, which developed itself suddenly at the chapel gates one Sunday afternoon just as chapel had "loosed." Maggie, in coming out, passed an eager group of women who were " talking her over, " and by a cruel chance heard the very thing said of her with which she most reproached herself. ...her awn father to t' Sylum," were the fragmentary words she caught, " so's shoo could hae t' house tuv hersel'." There was a general outcry of virtuous amazement and resentment, and right upon it Maggie stood in the midst of them, her eyes flashing. " That's not true, Mally, and you know it's not!" she said, confronting Weasel's wife, who had spoken; and then burst into tears. Some of them slipped away, but the woman she addressed, a victim at home but a shrew abroad, stood her ground. "Oh, do Aw?" she retorted cynically. "Hah if thi father telled it?" Then the other passers-by intervened, and Mally, flying into a fury, scandalised the congregation by shouting at the top of her voice: " Hengin's too gooid for 'er! Jezebel! Stone 'er! Jezebel!" It made such a commotion as happens when a man falls in a fit; but the crowd melted as Binney Driver's venerable figure was seen at the gates, for there was nobody in Cragside who did not fear the grave majesty of his rebuke, when the kind eyes opened wide under a lowering brow, and... The archaeology of the chalk Wolds of Yorkshire survives mainly as cropmarks and soilmarks. Yet by analysis and transcription of air photographs, entire prehistoric landscapes have been reconstructed, revealing a density of population and complexity of land use. This book and its four accompanying survey maps offer a contribution to the understanding of the Yorkshire Wolds and to the development of methods used for the analysis of archaeological landscapes in general. This long-term study of landscape change on the Yorkshire Wolds uses archaeological and historical sources to look at land division, territorial organisation and settlement patterns from the late prehistoric period to the middle ages. The A-Z Adventure Series of maps combines the best of OS and A-Z, creating the perfect companion for walkers, off-road cyclists, horse riders and anyone wishing to explore the great outdoors. The Yorkshire Wolds Way is a 79 mile (127 km) National Trail from the River Humber to the seaside resort of Filey. Crossing a tranquil landscape, the path encounters gently rolling chalk hills with easy climbs, isolated dry valleys, undulating fields and charming villages. The route on the map is clearly highlighted in yellow with mileage markers to gauge distances when planning sections of the walk to enjoy. This official National Trail Map* of the Yorkshire Wolds Way features 30 pages of continuous Ordnance Survey 1:25000 mapping providing complete coverage of the Yorkshire Wolds Way. The atlas includes a route planner showing distances between places and the amenities available, featuring: -Information Centres-Hotels/B&Bs-Youth Hostels-Campsites (seasonal opening)-Public Houses-Shops-Restaurants-Cafes (seasonal opening)-Petrol Stations. Also featured is advice on safety and security when walking and a selection of QR codes linked to useful websites, including temporary route updates from the National Trails, regional information, map reading advice and weather reports. Unlike the original OS sheets, this A-Z Adventure Atlas includes a comprehensive index to towns, villages, hamlets and locations, natural features, nature reserves, car parks and youth hostels, making it easy to find the required location quickly. Each index entry has a page reference and a six figure National Grid Reference. With a book size of 240mm x 134mm it is the same size as the standard OS folded map. Other National Trails available within the A-Z Adventure series include: Cotswold Way, Hadrian's Wall Path, Norfolk Coast Path & Peddars Way, North Downs Way, Pembrokeshire Coast Path, Offa's Dyke Path, Pennine Way, South Downs Way, SW Coast Path, Thames Path and The Ridgeway. *A-Z is the official mapping partner of the National Trails. The wide plain of the Vale of York lies at the very heart of the county of Yorkshire with the historic city of York at its centre. The vale is bordered by the Pennines to the west, the North York Moors to the north-east and the Yorkshire Wolds to the east. While most visitors flock to Yorkshire's two national parks, the flat plains of the Vale of York and the rolling uplands the Wolds provide a diversity of scenery and walking opportunities that should not be missed. Highlights of the 28 walks in this title include the coastal drama of Flamborough Head, the deserted medieval village of Wharram Percy and Beverley, with its majestic minster. Excerpt from *Tales of the Yorkshire Wolds* But the rain held off a little longer, and they finished their work just as it came pelting down and drove them indoors at something like a run. Lizzie and young Ainsworth burst into the kitchen laughing and talking in mere exultation. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The guidebook also contains a 1:25,000 scale OS route map booklet of the Cleveland Way. The Cleveland Way National Trail, described in seven day stages, is a fine 177km (110 miles) walk around the North York Moors National Park from Helmsley to Filey. The Yorkshire Wolds Way is one of the quietest of Britain's National Trails and wanders for 130km (80 miles) through gentle, cultivated and sparsely populated countryside. Described here in nine day stages, from Hessle near Hull to Filey, it links end-to-end with the Cleveland Way on the coast. Also described is the three-day, 80km (50 mile) Tabular Hills Walk, a Regional Trail that allows walkers to close the loop of the Cleveland Way and transform it into an enormous circular walk. The guidebook comes with a separate map booklet of 1:25,000 scale OS maps showing the full route of the Cleveland Way. The clear step-by-step route description links together with the map booklet at each stage along the Way, and the compact format is conveniently sized for slipping into a jacket pocket or the top of a rucksack. This new, thoroughly updated second edition of Bradt's North York Moors and Yorkshire Wolds, part of the distinctive 'Slow travel' series of guides to UK regions, remains the only full-blown standalone guide available to this region of contrasts, from the magnificent cliffs and beaches of the Heritage Coast and rolling hills of the North York Moors to the tranquil chalk downland of the Wolds. Nestled at the heart of it all is the ancient historic city of York, with its stunning Minster, the largest Gothic cathedral in Northern Europe. As well as featuring all the main sights, Bradt's North York Moors and Yorkshire Wolds includes places and aspects of the region not detailed by other guidebooks and, while making a virtue of being selective, nonetheless covers the whole region in considerable detail. It also includes personal anecdotes

and the views of local people as well as tapping into the Yorkshire-based author's considerable knowledge of the region, especially his experiences as an outdoor enthusiast, naturalist and beer connoisseur. With Bradt's North York Moors and Yorkshire Wolds, discover what makes this area tick. The annual Tour de Yorkshire has helped to establish the region as a biking Mecca, while the Yorkshire Nature Triangle in the east is renowned for its birds and wildlife, from adders to barn owls, otters to dolphins. Wildlife lovers will also find details of whale-watching tours. Included in the guide is information on the 10 long-distance paths which cross the area, plus tips on the sandy beaches and rocky coves that make this an ideal family destination. Local food and drink, from seafood to meats, cheeses and breweries, is covered, too. Also included are details of festivals, steam train journeys as featured in the Harry Potter films, the Georgian opulence of Castle Howard as featured in *Brideshead Revisited*, sea-bird colonies along the Heritage Coast, the only mainland colony of gannets in England at Bempton Cliffs, and the tallest standing stone in Britain. Written in an entertaining style combining personal narrative with authoritative information, Bradt's North York Moors and Yorkshire Wolds has all the most up-to-date information you could need for a successful visit. The Yorkshire Wolds were brought to international attention in 2012 by David Hockney's magnificent Royal Academy exhibition of paintings of the region. Now, Tony Gowers' completely updated, expanded and re-designed National Trail Guide offers the essential companion to the forgotten but fascinating landscape through which this Trail runs. The Trail runs from Hessle in the south, by the Humber Bridge, to Filey on the North Yorkshire coast, through the Wolds' secluded and special 'dry valleys', a succession of tranquil villages, and past celebrated locations like Thixendale woods now immortalised in Hockney's vast and dazzling paintings. As well as comprehensive route descriptions accompanied by OS 1:25,000 maps, the book features a Philip Larkin Trail around Hull, digressions to the handsome town of Beverley with its beautiful Minster, the Holderness region made famous by Winfred Holtby's *South Riding*, the seabird colony at RSPB Bempton Cliffs, as well as circular walks to all of the principal locations of Hockney's Wolds paintings. The result is an essential purchase, not just for those walking the Trail, but for every visitor to the area. The Yorkshire Wolds Way. A 79 mile walking route that starts near the Humber Bridge, and ends with fish and chips in sight at the Victorian seaside resort of Filey. It's a walk that takes you through a secret part of Yorkshire. One rather overshadowed by those famous Yorkshire Dales, and the North York Moors. Hidden it may be. But it's there. Not very well known. But there. So in the middle of a heatwave, two men left their respective homes, and headed to the town of Hessle, on the Humber Estuary. And they went on a walk. A walk along fields, through enchanting dales, quaint villages and so much more. Although there were quite a lot of fields. This is the important, and extremely true tale of that journey. Of the sights. Of the sounds. Of the conversations about Adrian Chiles. Of the benches. Of the questions. Like, just what is a wold, anyway? Includes a guide to planning your own walk on the Yorkshire Wolds Way National Trail.
