Nothing Is Impossible Nov 03 2020 Christopher Reeve has mastered the art of turning the impossible into the inevitable. In these candid reflections, Reeve shows that we are all capable of overcoming seemingly insurmountable hardships. He teaches us that for able-bodied people, paralysis is a choice—a choice to live with self-doubt and a fear of taking risks—and that it is not an acceptable one. Reeve knows from experience that the work of conquering inner space is hard and that it requires some suffering—after all, nothing worth having is easy to attain. He asks challenging questions about why it seems so difficult—if not impossible—for us to work together as a society. *Nothing Is Impossible* reminds us that life is not to be taken for granted but to be lived fully with zeal, curiosity, and gratitude.

The Fourth Sex Dec 04 2020 Omnivorous and indefatigable, suggestible but independent, adolescents don't want to be balanced. They love extremes of everything from fashion and art to music and the Internet. Observed and studied by experts of all kinds, their behavior monitored by psychologists, educators, and marketing executives, adolescents represent a decisive and increasingly valuable segment of the buying public. They adore and consume trendy clothes and brand-new bands; they must be cool regardless of the cost. And adults turn to them more and more for clues on how to remain forever young and hip. *The Fourth Sex* turns a critical, illustrated spotlight on adolescence, a territory of transition

crisscrossed by the most varied creative energies. A series of iconographic materials begins in the 1960s and moves up to the present, revealing clothes, behavior patterns, novels, and visual artworks created or inspired by the transnational tribe that are teenagers. Excerpted authors include David Foster Wallace, Arata Isozaki, Philip Roth, William Golding, J.G. Ballard, Beavis & Butthead, Jim Carroll, Stephen King, Vladimir Nabokov, Douglas Coupland, Dick Hebdige, Bret Easton Ellis, and Dave Eggers. Represented artists include Vanessa Beecroft, Raymond Pettibon, Mike Kelley, Elizabeth Peyton, Karen Kilimnik, Charles Ray, Takashi Murakami, Larry Clark, Rineke Dijkstra, Paul McCarthy, Richard Prince, Gilbert & George, Gavin Turk, and Richard Billingham. And modeled fashion and lifestyle designers include Malcolm MacLaren, Paco Rabanne, Benetton, Veronique Branquinho, Comme des Garçons, Stussy, Coca-Cola, PlayStation, Diesel, Katherine Hamnett, and David Sims. The book's shifting, politically incorrect graphic style gives form and color to all the contradictions and ambiguities of an unhappy age that we never cease to remember with nostalgia and the occasional twinge of pain. Published in association with Fondazione Pitti Immagine Discovery.

What Is a Slave Society? Oct 22 2019 The practice of slavery has been common across a variety of cultures around the globe and throughout history. Despite the multiplicity of slavery's manifestations, many scholars have used a simple binary to categorize slave-holding groups as either 'genuine slave societies' or 'societies with slaves'. This dichotomy, as originally proposed by ancient historian Moses Finley, assumes that there were just five 'genuine slave societies' in all of human history: ancient Greece and Rome, and the colonial Caribbean, Brazil, and the American South. This book interrogates this bedrock of comparative slave studies and tests its worth. Assembling contributions from top specialists, it demonstrates that the catalogue of five must be expanded and that the model may need to be replaced with a more flexible system that emphasizes the notion of intensification. The issue is approached as a question, allowing for debate between the seventeen contributors about how best to conceptualize the comparative study of human bondage.
