English Grammar Nov 12 2021 Looking for an easy-to-use guide to English grammar? This handy introduction covers all the basics of the subject, using a simple and straightforward style. Students will find the book's step-by-step approach easy to follow and be encouraged by its non-technical language. Requiring no prior knowledge of English grammar, the information is presented in small steps, with objective techniques to help readers apply concepts. With clear explanations and well chosen examples, the book gives students the tools to understand the mysteries of English grammar as well as the perfect foundation from which to move on to more advanced topics.

Democracy's Fourth Wave? Nov 19 2019 Did digital media really "cause" the Arab Spring, or is it an important factor of the story behind what might become democracy's fourth wave? An unlikely network of citizens used digital media to start a cascade of social protest that ultimately toppled four of the world's most entrenched dictators. Howard and Hussain find that the complex causal recipe includes several economic, political and cultural factors, but that digital media is consistently one of the most important sufficient and necessary conditions for explaining both the fragility of regimes and the success of social movements. This book looks at not only the unexpected evolution of events during the Arab Spring, but the deeper history of creative digital activism throughout the region.

An Advanced English Grammar Sep 22 2022

English Grammar & Composition 4-(17-18) Mar 24 2020 Collins English Grammar and Composition is a carefully graded series spanning eight levels, which aims to enable learners to master the rules of the English language so that they can use it with ease.

The Blue Book of Grammar and Punctuation Feb 03 2021 The bestselling workbook and grammar guide, revised and updated! About the author: Charles Hooton is a native English speaker born in Nottingham. He has a master's degree in Law and Philosophy from the University of Oxford and the Cambridge CELTA English teaching qualification. He first started teaching over thirty years ago and is the Director of Studies for Britain's largest English language summer school held at Royal Holloway, University of London. He specialises in teaching English for business and commerce but focusses primarily on preparing students for the IELTS exam.

Luzac's Oriental List and Book Review Dec 21 2019

The Oxford Dictionary of English Grammar Apr 17 2022 The Oxford Dictionary of English Grammar is a straightforward and accessible A-Z guide to the diverse and often complex terminology of English grammar. It contains over 1,600 entries with clear and concise definitions, enhanced by numerous example sentences, as well as relevant quotations from the scholarly literature of the field. This second edition is written and edited by Professor Bas Aarts of University

College London, writer of the acclaimed Oxford Modern English Grammar. It has been fully revised and updated, with particular attention paid to refreshing the example sentences included within the text. There are over 150 new entries that cover current terminology which has arisen since the publication of the first edition, and there are also new entries on the most important English grammars published since the start of the 20th century. Hundreds of new cross-references enhance the user-friendly nature of the text, and the list of works cited has been thoroughly updated to reflect the current state of the field. A short appendix of web links has been added. All in all, this Dictionary is an invaluable guide to English grammar for all students and teachers of the subject, as well as all those with an informed interest in the English language.

A Critical Study of the Novels Jan 22 2020 This is a comparative study of the unaccredited yet formidable five major Indian Muslim women novelists: Rokeya Sakhawat Hossain, Zeenuth Futehally, Iqbalunnisa Hussain, Tara Ali Baig, and Attia Hossain. The book explores their work with regard to themes like patriarchy, feminism, religiosity, nationality, secularity, and above all, liberty. Their contribution to the growth of novel writing in English cannot go ignored as they created a momentum in writing novel using English language as a medium of combined feminist statements with a message to liberate Muslim women from religious conventions, social taboos, and a male-dominated world. The study of their novels also makes us aware of the grit and determination and the sheer hunger of these writers to make their mark, to speak out unequivocally against prejudice, basically to enlighten us how their personalities were shaped and eventually established. Their sensitivities as women give an edge to the entire narrative as does their unprecedented and undaunted dare to the oppressors. In the great tradition of modern and postmodern fiction, our writers use their pen to stand up against inequality of any kind and to undo the stereotypes, leading themselves by example.

Elementary English Grammar And Writing Skill Jan 26 2023 Elementary English Grammar And Writing Skill. Learn English Grammar With Easy Writing Skill Lessons (Noun, Pronoun, Adjective, Adverb, Preposition, Conjunction, Interjection, Sentence - With Examples) This book is intended as an introductory text for courses in English grammar at secondary and tertiary level. It offers an outline account of the most important and central grammatical constructions and categories in English. I have assumed only minimal prior familiarity with the structure of English: all the grammatical terminology used is systematically explained. The analysis draws on the descriptive and theoretical advances made in modern linguistics, and for this reason the book could be used for an elementary course on English within a linguistics programme. It is, however, intended for a wider audience: for any course aiming to present a descriptive overview of the structure of English. Significant departures from traditional grammar in analysis or terminology are pointed out, normally in footnotes. One distinctive feature of the book is that it discusses the major grammatical categories at both a language-particular and a general level. The language-particular account gives the distinctive grammatical properties of the various categories as they apply to English: it thus provides the criteria for determining whether some word is a noun, verb, adjective, adverb or whatever, whether some verb-form is a past participle, a past tense form, etc., whether some clause is declarative, interrogative, imperative, exclamative – and so on. Analysis at the general level is concerned with what is common to the categories across languages, thus providing criteria for the application of the same terms in the grammars of different languages. Hope this book will remain as a “friend in need” in your daily life whenever you use English language as a communicative vehicle .

English Grammar For EFL/ESL Students (Simple, Practical yet Comprehensive) May 06 2021 "Thiru V.P. Kannan has brought out a nice manual covering all the aspects of grammar in a comprehensive manner with copious examples and adequate exercises. This book will be of immense help to the students ... deliberately made very simple to enhance the grasping of rural students" Dr. V. IRAI ANBU,I.A.S. "How we say something can be as important as what we say ... Ungrammatical communications lack clarity ... The book is indeed comprehensive ... very helpful as they work to improve

their skill in English grammar. Dr. Carl Perrin, Ph. D., Lakewood, NJ, USA "Unlike the conventional books, the book is well structured with units, wholesome by themselves and arranged in a logical sequence ... a boon not only to students but also to learners of English language at all levels as the book is planned and designed in the most practical and natural way." Dr. S. SHANMUGIAH, M.A., Ph.D. Registrar, Tamil Nadu Open University, Chennai "I appreciate his (author's) initiative in working out a scheme of learning English that is interesting and easy to pursue ... it enables the learner to move from the basic to the advanced and achieve mastery by correct and consistent practice ... I commend the book to every teacher and learner." Prof. R. RAJA GOVINDASAMY, M.A., M.A. (USA) Principal, Thiagarajar College, Madurai "Each topic is dealt with utmost care ... I am confident that this book will prove to be an asset to students and teachers. It will also be a source of support and guidance for parents who wish to prepare their wards for the examination and also help them to develop their proficiency in English Grammar." Mrs. FELICIA AUGSTINE, M.A., M.Ed. Academic Supervisor, Dept. of English, SBOA School & Junior College Chennai

Luzac's Oriental List and Book Review Dec 01 2020

South Asian English Feb 15 2022 This volume examines selected formal and functional characteristics of English in South Asia, where English was introduced in the sixteenth century and now has over fifty million users. An integrative and interdisciplinary collection, the book brings together invited papers by acclaimed creative writers from India and Pakistan and by international linguists and English educators. The five major facets of South Asian English discussed are context and uses: structure and contact; functions and innovations; the curriculum; and the multilingual's creativity. The volume provides current perspectives on complex issues of concern to teachers and students of world Englishes.

The Bihar & Orissa Gazette Aug 09 2021

The Breadwinner May 26 2020 Because the Taliban rulers of Kabul, Afghanistan impose strict limitations on women's freedom and behavior, eleven-year-old Parvana must disguise herself as a boy so that her family can survive after her father's arrest.

Glossary of English Grammar Apr 05 2021 A Glossary of English Grammar presents a wide range of terms used to describe the way the English language is structured. Grammatical terms can be a problem for students, especially when there are alternative names for the same thing (for example, 'past tense' and 'preterite'). This book therefore provides a basic and accessible guide, focusing on the English language. Definitions of grammatical terms are given in simple language, with clear examples, many from authentic texts and spoken sources, showing how they are used. The terms used in the Comprehensive Grammar of the English Language are widely seen as standard, and form the basis of grammatical terminology in this book. At the same time, this glossary does not neglect other variants of English grammar, such as that of Huddleston and Pullum's influential Cambridge Grammar of the English Language, whose most important terms are also covered here. This book is indispensable for anyone wishing to understand present-day terminology of English grammar more fully.

A Modern Book of Communicative English Feb 27 2023

Applying English Grammar. Dec 25 2022 This edited collection is about the application of English grammar and specialises in 'functional' and 'corpus' approaches, approaches which are increasingly recognised as providing significant insights into English language in action. It aims to stimulate interest and understanding of grammar as an applied tool not just for grammarians or language learners, but for all those interested in how language is organized to shape our view of events in the world. As the chapters in this book show, functional and corpus approaches allow us to make observations that would not be amenable through more traditional forms of grammatical analysis. They also illustrate how researchers can fruitfully bring together corpus and functional approaches to reveal how grammar and lexis create and transmit values, identities and ideologies. Research in Critical Discourse Analysis (CDA) has a long tradition of drawing on functional grammar but has only relatively recently begun to draw on corpus linguistics. As such, the book is unusual in presenting work on CDA which draws on corpus linguistics. But not only that, it is also unique in presenting work in CDA which brings together the methodologies of corpus linguistics and functional grammar, demonstrating their combined potential for illuminating ideological perspectives, particularly in media texts. Given this focus and given the increasing value of empirical data, the book will be of interest to those in a range of disciplines including the humanities and media and cultural studies. Chapters comprise both newly commissioned and previously published works that illustrate the two methodological approaches to grammatical analysis and how they can be applied to deepen our understanding of language.
