Soles of a Survivor Oct 22 2019 The Unbelievable True Story of a Vietnamese Refugee Who Not Only Made the United States Her Home, But Learned the True Value of Hope, Love, and Religion Along the Way The soles of Nhi Aronheim's feet still bear the scars of her escape from Vietnam—trudging through the jungles of Cambodia as a twelve-year-old with a group of strangers seeking the land of opportunity: America. Her quest for survival through the Cambodian jungle eventually led her to a boat that took her to Thailand and an orphanage where Nhi lived for two years until she qualified for refugee status in the United States. Years later, she returned to Vietnam with a film producer to reunite with the family she never thought she'd see again. A second trip to Vietnam brought her two mothers, birth and adopted, face to face. Yet *Soles of a Survivor* isn't just another inspirational survival story. It's about the lessons Nhi learned about humanity, diversity, and unconditional love since

arriving in the United States. She now has a deeper appreciation for the parallels between the Jewish and Vietnamese cultures, and others. After she met her Jewish beau, they got married. She eventually converted to Judaism, though the process was challenging for an Asian woman adopted into a Christian household. Her story shows it matters less what religion we're part of, as long as we radiate goodness to those we meet. Now she relishes being a Vietnamese Jew. Having come full circle from prosperity to poverty and back, Nhi hopes to encourage others to believe that in spite of overwhelming odds, all things are possible if one has an intense desire, focused energy, and the audacity to grasp presented opportunities.

Although she's never met the missing girl, Shea is ready to risk her freedom and her life to save her. Family is still family. As Shea launches herself back into the criminal underworld of Arizona's high desert in search of her niece, she rediscovers the reasons why she fled the outlaw biker world so many years before as well as her own long-buried secret. Can she recover the girl in time? And what will her loyalty cost her?

Snitch - Book 2 Would You Rat Out A Friend To Stay Out of Prison? Shea Stevens thought she'd shut the door on the chaos and violence of her past. But her new life of building motorcycles and raising her orphaned niece is about to be disrupted. When college students start dying from ecstasy laced with rat poison, an all-but forgotten deal Shea struck with the cops comes back to haunt her. She must either infiltrate the Athena Sisterhood, a women's biker club suspected of dealing the drugs, or she'll be sent back to prison. As if becoming a snitch isn't bad enough, Shea learns that the Athena Sisterhood is embroiled in a turf war with the her father's outlaw biker gang. Shea's allegiances are tested as the violence between the clubs escalates and the troubling truth about the deadly drugs emerges. Will Shea choose loyalty over justice? And what will her ultimate decision cost her?

from a state senator who will do anything to conceal a dark secret. The situation turns deadly when the powerful politician pulls some strings the Sisterhood didn't anticipate. After a minor motorcycle accident, lesbian biker Shea Stevens wants to recuperate at home with her girlfriend and work on a design for a new custom motorcycle. But when Megan, the adult daughter of a friend, disappears into a suspected cult in Sedona, Arizona, Shea goes undercover as a prospective recruit to bring the young woman home. When Shea discovers what's really going on, her suspicions turn to outrage. But saving Megan could send Shea back to prison for decades. Does she save the girl? Or does she choose family and freedom?
