The howlingly good spin-off of the Undead series from the New York Times bestselling author. Rachel, a werewolf/accountant, is asked to keep one eye on Vampire Queen Betsy Taylor and the other peeled for a rogue werewolf who's itching to start a war. But her attention is mostly on a sexy, mysterious stranger she wishes she could trust. The acclaimed authors of *Death by a Thousand Cuts* argue that Americans care less about inequality than about their own insecurity. Michael Graetz and

Ian Shapiro propose realistic policies and strategies to make lives and communities more secure. This is an age of crisis. That much we can agree on. But a crisis of what? And how do we get out of it? Many on the right call for tax cuts and deregulation. Others on the left rage against the top 1 percent and demand wholesale economic change. Voices on both sides line up against globalization: restrict trade to protect jobs. In *The Wolf at the Door*, two leading political analysts argue that these views are badly mistaken. Michael Graetz and Ian Shapiro focus on what really worries people: not what the rich are making but rather their own insecurity and that of people close to them. Americans are concerned about losing what they have, whether jobs, status, or safe communities. They fear the wolf at the door. The solution is not protectionism or class warfare but a return to the hard work of building coalitions around realistic goals and pursuing them doggedly through the political system. This, Graetz and Shapiro explain, is how earlier reformers achieved meaningful changes, from the abolition of the slave trade to civil rights legislation. The authors make substantial recommendations for increasing jobs, improving wages, protecting families suffering from unemployment, and providing better health insurance and child care, and they guide us through the strategies needed to enact change. These are achievable reforms that would make Americans more secure. *The Wolf at the Door* is one of those rare books that not only diagnose our problems but also show us how we can address them. This WWII espionage biography brings "one of America's greatest spies back to life" in a "story of derring-do and white knuckles suspense" (Patrick O'Donnell, author of *Operatives, Spies, and Saboteurs*) Virginia Hall left her comfortable Baltimore roots in 1931 with dreams of becoming a Foreign Service Officer, but her gender—and her wooden leg—kept her from pursuing politics. As Hitler advanced across Europe, she put her gift for languages to use with the British Special Operations Executive, a secret espionage organization. She was soon deployed to occupied France where she located drop zones,

helped prisoners of war flee to England, and secured safe houses for agents. Soon, wanted posters appeared throughout France, offering a reward for Hall's capture. By 1942, Hall had to flee France via the only route possible: an arduous hike on foot through the frozen Pyrénées Mountains. Upon her return to England, the American espionage organization, the Office of Special Services, recruited her and sent her back to France disguised as an old peasant woman. While there, she was responsible for killing 150 German soldiers and capturing 500 others. Sabotaging communications and directing resistance activities, her brave work helped change the course of the war. Isadora finds the strength to stand up to her abusive husband Septimo when he forces the very pregnant Yolot to stay against her will. While Septimo makes plans for the baby, Isadora and Yolot devise one of their own. And as a pack of wolves closes in on the hacienda, Isadora must decide what price she'll pay for her own freedom. *Wolf at the Door* is part of a cycle of fairy tales Marisela Treviño Orta is writing inspired by Latino folklore and mythology. "A beautifully told Mesoamerican fairy tale... a story of self-deliverance and empowerment of those who survive." - Theater Jones "Absorbing... *Wolf at the Door* tells a magical story in a straightforward way, evoking the harsh realities of life with brutal honesty." - NJArts "Racked with pain... Marisela Trevino Orta... has fashioned a message drama around a more ethereal reverie about the afterlife, nature and the definition of evil." - Dallas Voice "A magical tale of those who are subject to tyrannical rule seeking freedom through the bond they have as women and as heirs to the wildness of nature. *Wolf at the Door* takes us through the darkness of the soul and offers us hope." - The Column Online "This riveting and resonant fairy tale is definitely for grownups... Orta's script develops the characters well beyond fairy tale tropes... they become fully fleshed-out beings, with backstories that matter. Particularly resounding is the theme of women banding together against a man who's kept them down." - The Oregonian Offers young readers advice on how to get rid of a wolf

who keeps getting closer and closer. Jack Higgins “doesn’t stint on action” (Publishers Weekly) in this New York Times bestseller featuring black ops specialist Sean Dillon. On a Long Island pier, a trusted operative for the President is wounded by gunfire. In London, an adviser to the Prime Minister approaches his car when it explodes. In New York, British soldier-turned covert operative Sean Dillon is approached by a man with a pistol in his hand... Someone is targeting members of an elite intelligence unit known as “the Prime Minister's private army” and all those who work with them. The culprit has a full complement of resources at his command—and Dillon has an idea of who it may be: an old nemesis out to destroy the unit out once and for all. But proving it will be difficult. And surviving it might be impossible. This irresistible book is about: a father; his five-year-old son, Michael (intelligent, crafty, addicted to stories); Michael’s best friend Stefan (stalwart listener, equally addicted to stories); and, well—what else?—a story. Oh, and a wolf. It is as Michael always demands: a Wolf Story, which begins one night at bedtime and spins wildly on through subsequent bedtimes and Sunday outings to the beach and park in a succession of ever more trickily tantalizing episodes. Waldo the wolf is sneaking up on Rainbow the hen, when Jimmy Tractorwheel, the son of the local farmer, comes along. After that, there’s no knowing what will happen next, as while stalled in traffic jams or nodding off at night, the boys chime in and the story races on and Waldo finds, if not necessarily dinner, his just desserts. First published in 1947 and wonderfully illustrated by Warren Chappell, William McCleery’s *Wolf Story* is a delicious treat for fathers and sons and daughters and mothers alike. "As a little boy, I had a dream that my father had taken me to the woods where there was a dead body. He buried it and told me I must never tell. It was the only thing we'd ever done together as father and son, and I promised not to tell. But unlike most dreams, the memory of this one never left me. And sometimes...I wasn't altogether sure about one thing: was it just a dream?" When Augusten Burroughs

was small, his father was a shadowy presence in his life: a form on the stairs, a cough from the basement, a silent figure smoking a cigarette in the dark. As Augusten grew older, something sinister within his father began to unfurl. Something dark and secretive that could not be named. Betrayal after shocking betrayal ensued, and Augusten's childhood was over. The kind of father he wanted didn't exist for him. This father was distant, aloof, uninterested... And then the "games" began. With *A Wolf at the Table*, Augusten Burroughs makes a quantum leap into untapped emotional terrain: the radical pendulum swing between love and hate, the unspeakably terrifying relationship between father and son. Told with scorching honesty and penetrating insight, it is a story for anyone who has ever longed for unconditional love from a parent. Though harrowing and brutal, *A Wolf at the Table* will ultimately leave you buoyed with the profound joy of simply being alive. It's a memoir of stunning psychological cruelty and the redemptive power of hope. Gwendolyn Jones is working on an article about werewolves, not that she believes they exist. But there are people out there who do, like the nervous man who slips her a flash drive with information he claims will prove to the world shifters are out there. Gwen starts questioning just what to believe when two very real werewolves come knocking on her cabin door later that night. Someone has a flash drive with pictures that could endanger his pack, and alpha Jacque LaForge will do whatever it takes to destroy it. But the something deep inside him ignites when he knocks on the door of that "someone". He didn't think he'd find a mate, or that when he did, she'd be human. But now that he's has found Gwen, he knows he has a fight on his hands to protect her from his former vengeful pack who are out to hurt him by any means necessary. Each book in the *Salvation Pack* series is a standalone story that can be enjoyed in any order. Series Order: Book #1 *Wolf at the Door* Book #2 *Wolf in her Bed* Book #3 *Wolf on the Run* Book #4 *Wolf from the Past* Book #5 *Wolf on the Hunt* Book #6 *Wolf on a Mission* Book #7 *Wolf in his Heart* A fresh,

compelling, and eerie exploration of small-town living, stolen children, and wolves that watch in the woods. The night little Madison disappears from her crib, Luce sees a pair of eyes--two points of gold deep in the forest behind her house--and feels certain they belong to a wolf. Her town, Picnic, Illinois, is the kind of place where everyone knows one another and no one locks their doors. It's not the kind of place where a toddler goes missing without a trace, where wolves lurk in the shadows. In town, people are quick to blame Madison's mom. But when Luce's English teacher shares an original script about the disappearance of another little girl in Picnic back in 1870, Luce begins to notice similarities that she can't ignore. Certain that something deeper is going on, Luce tracks the wolf she saw into the woods and uncovers the truth about her town: magical animal-women, who have remained hidden in shadows for centuries, have taken her cousin for their own purposes--and they have no intention of bringing her back. A chilling mystery that weaves elements of magical realism, drama, and folklore into a story of one teen's bravery as she confronts her town's past and tries to save the future.

"Who's there?" says little bear. and he jumps up to open the door. Is it one of his friends, or is a big bad wolf really trying to chase them all? A note is left on a car windshield, an old dog dies, and Kent Nerburn finds himself back on the Lakota reservation where he traveled more than a decade before with a tribal elder named Dan. The touching, funny, and haunting journey that ensues goes deep into reservation boarding-school mysteries, the dark confines of sweat lodges, and isolated Native homesteads far back in the Dakota hills in search of ghosts that have haunted Dan since childhood. In this fictionalized account of actual events, Nerburn brings the land of the northern High Plains alive and reveals the Native American way of teaching and learning with a depth that few outsiders have ever captured. Book 4 in Terry Spear's Heart of the Wolf Series His first priority is to protect his pack Werewolf pack leader Leidolf Wildhaven has just taken over a demoralized pack. With rogue wolves

on the loose causing havoc and the authorities from the zoo suddenly zeroing in on the local wolf population, the last thing he needs in his territory is a do-gooder female, no matter how beautiful and enticing she is... She'll do anything to help wolves

Biologist Cassie Roux has dedicated her life to protecting wolves in the wild. On a desperate mission to help a she-wolf with newborn pups, the last thing Cassie needs right now is a nosy and entirely too attractive werewolf pack leader trying to track her down... With rogue wolves and hunters threatening at every turn, Cassie and Leidolf may find their attraction the most dangerous force of all.

Heart of the Wolf Series: Heart of the Wolf (Book 1) To Tempt the Wolf (Book 2) Legend of the White Wolf (Book 3) Seduced by the Wolf (Book 4)

Praise for Terry Spear: "The vulpine couple's chemistry crackles off the page, but the real strength... lies in Spear's depiction of pack power dynamics as well as in the details of human-wolf interaction. Her wolf world feels at once palpable and even plausible."-Publishers Weekly "Chilling suspense and sizzling romance... The dark, sexy alpha hero will capture you-body, mind, and soul."-Nicole North, author of Devil in a Kilt "If action, romance, and suspense are what you are looking for in a story, then look no further."-Night Owl Romance

In the days before the Russian Revolution, twelve-year-old Feodora sets out to rescue her mother when the Tsar's Imperial Army imprisons her for teaching tamed wolves to fend for themselves. The Blood Wolf prowls near the village of Stonebriar at night. She devours chickens and goats and cows and cats. Some say children are missing. But this murderous wolf isn't the villain of our story, she's the hero! The Blood Wolf hates humankind for destroying the forest, but an encounter with a beggar teaches her a better way to confront injustice. This imaginative retelling of the legend of Saint Francis and the Wolf explores what it means to be a peacemaker in the midst of violence and how to restore a healthy relationship with creation. First published in 1942 when wartime shortages were at their worst, the ever-popular How to Cook a Wolf, continues to surmount the

unavoidable problem of cooking within a budget. Here is a wealth of practical and delicious ways to keep the wolf from the door. A trenchant analysis of how public education is being destroyed in overt and deceptive ways—and how to fight back “A powerful analysis of the predatory, profit-seeking forces that threaten our nation’s public schools. . . . If you care about the future of our society, read this book.” —Diane Ravitch, author of *Slaying Goliath* and *Reign of Error* In the “vigorous, well-informed” (Kirkus Reviews) *A Wolf at the Schoolhouse Door*, the co-hosts of the popular education podcast *Have You Heard* expose the potent network of conservative elected officials, advocacy groups, funders, and think tanks that are pushing a radical vision to do away with public education. “Cut[ing] through the rhetorical fog surrounding a host of free-market reforms and innovations” (Mike Rose), Jack Schneider and Jennifer Berkshire lay bare the dogma of privatization and reveal how it fits into the current context of right-wing political movements. *A Wolf at the Schoolhouse Door* “goes above and beyond the typical explanations” (SchoolPolicy.org), giving readers an up-close look at the policies—school vouchers, the war on teachers’ unions, tax credit scholarships, virtual schools, and more—driving the movement’s agenda. Called “well-researched, carefully argued, and alarming” by *Library Journal*, this smart, essential book has already incited a public reckoning on behalf of the millions of families served by the American educational system—and many more who stand to suffer from its unmaking. “Just as with good sci-fi,” according to Jacobin, “the authors make a compelling case that, based on our current trajectory, a nightmare future is closer than we think.” The intimate, involving story of the rise and reign of O-Six, the fabled Yellowstone wolf, and the people who loved or feared her. For readers of *H is for Hawk*, captivating works of reportage, and iconic books on the American West. Before humans ruled the Earth, there were wolves. Once abundant in the United States, these majestic creatures were hunted to near extinction by the 1920s. But in recent decades,

conservationists have brought wolves from Canada back to Yellowstone National Park, igniting a battle over the very soul of the American West. With novelistic detail, Nate Blakeslee tells the gripping story of one of these wolves, a charismatic alpha female named O-Six. She's a kind and merciful leader, a fiercely intelligent fighter, and a doting mother. Beloved by wolf watchers, particularly Yellowstone park ranger Rick McIntyre, O-Six becomes something of a social media star, with followers around the world. But as she raises her pups and protects her pack, O-Six is being challenged on all fronts: by hunters and their professional guides, who compete with wolves for the elk they all prize; by cattle ranchers who are losing livestock and have the ear of politicians; and by other Yellowstone wolves who resent her dominance of the stunningly beautiful Lamar Valley. These forces collide in *The Wolf*, a riveting multigenerational wildlife saga that tells a larger story about the clash of values in the West--between those fighting for a vanishing way of life and those committed to restoring one of the country's most vibrant landscapes.

Fiction. A sculptor dying of a mysterious illness leaves the city behind in order to live out his final days in solitude in a village somewhere in Eastern Europe. His sole contact is with a deaf-mute gravedigger named Vojtech, a golem-like figure who delivers the necessary provisions--when he remembers to show up. A nameless wanderer traverses the barren streets of an unknown city in search of his next prey... 'Hawkswood clearly knows her stuff, both as a historian and a crafter of mysteries' Historical Novel Society 1144. The body of Durand Wuduward, the unpopular keeper of the King's Forest of Feckenham, is discovered beside his hearth, his corpse rendered barely identifiable by sharp teeth. Hushed whispers of a man-wolf spread swiftly and Sheriff William de Beauchamp's men, Bradecote and Catchpoll, have to find out who killed Durand and why, amidst superstitious villagers, raids upon manors and further grim deaths. Who commands the wolf, and where will its fangs strike next? Going home digs up bad memories, so it's

something Bureau of Special Investigations agent Cooper Dayton tries to avoid. When he's guilted into a visit, Cooper brings along Oliver Park, his hot new werewolf partner, in the hopes the trip will help clarify their status as a couple...or not. When Park's keen shifter nose uncovers a body in the yard and Cooper's father is the prime suspect, Cooper knows they're on their own. Familial involvement means no sanctioned investigation. They'll need to go rogue and solve the mystery quietly or risk seeing Cooper's dad put behind bars. The case may be cold, but Park and Cooper's relationship heats up as they work. And yet if Cooper can't figure out what's going on between them outside of the bedroom, he'll lose someone he... Well, he can't quite put into words how he feels about Park. He knows one thing for sure: he's not ready to say goodbye, though with the real killer inching ever closer...he may not have a choice. One-click with confidence. This title is part of the Carina Press Romance Promise: all the romance you're looking for with an HEA/HFN. It's a promise! This book is approximately 84,000 words Carina Press acknowledges the editorial services of Mackenzie Walton

Bear and Wolf become unlikely companions one winter's evening when they discover each other out walking in the falling snow. Her story begins on a train. The year is 1956, and the Axis powers of the Third Reich and Imperial Japan rule. To commemorate their Great Victory, they host the Axis Tour: an annual motorcycle race across their conjoined continents. The prize? An audience with the highly reclusive Adolf Hitler at the Victor's ball in Tokyo. Yael, a former death camp prisoner, has witnessed too much suffering, and the five wolves tattooed on her arm are a constant reminder of the loved ones she lost. The resistance has given Yael one goal: Win the race and kill Hitler. A survivor of painful human experimentation, Yael has the power to skinshift and must complete her mission by impersonating last year's only female racer, Adele Wolfe. This deception becomes more difficult when Felix, Adele's twin brother, and Luka, her former love interest, enter the race and watch Yael's every

move. But as Yael grows closer to the other competitors, can she be as ruthless as she needs to be to avoid discovery and stay true to her mission? From the author of *The Walled City* comes a fast-paced and innovative novel that will leave you breathless. From New York Times bestselling author Naomi Wolf, *Outrages* explores the history of state-sponsored censorship and violations of personal freedoms through the inspiring, forgotten history of one writer's refusal to stay silenced. Newly updated, first North American edition--a paperback original

In 1857, Britain codified a new civil divorce law and passed a severe new obscenity law. An 1861 Act of Parliament streamlined the harsh criminalization of sodomy. These and other laws enshrined modern notions of state censorship and validated state intrusion into people's private lives. In 1861, John Addington Symonds, a twenty-one-year-old student at Oxford who already knew he loved and was attracted to men, hastily wrote out a seeming renunciation of the long love poem he'd written to another young man. *Outrages* chronicles the struggle and eventual triumph of Symonds—who would become a poet, biographer, and critic—at a time in British history when even private letters that could be interpreted as homoerotic could be used as evidence in trials leading to harsh sentences under British law. Drawing on the work of a range of scholars of censorship and of LGBTQ+ legal history, Wolf depicts how state censorship, and state prosecution of same-sex sexuality, played out—decades before the infamous trial of Oscar Wilde—shadowing the lives of people who risked in new ways scrutiny by the criminal justice system. She shows how legal persecutions of writers, and of men who loved men affected Symonds and his contemporaries, including Christina and Dante Gabriel Rossetti, Algernon Charles Swinburne, Walter Pater, and the painter Simeon Solomon. All the while, Walt Whitman's *Leaves of Grass* was illicitly crossing the Atlantic and finding its way into the hands of readers who reveled in the American poet's celebration of freedom, democracy, and unfettered love. Inspired by Whitman, and despite terrible

dangers he faced in doing so, Symonds kept trying, stubbornly, to find a way to express his message—that love and sex between men were not “morbid” and deviant, but natural and even ennobling. He persisted in various genres his entire life. He wrote a strikingly honest secret memoir—which he embargoed for a generation after his death—enclosing keys to a code that the author had used to embed hidden messages in his published work. He wrote the essay *A Problem in Modern Ethics* that was secretly shared in his lifetime and would become foundational to our modern understanding of human sexual orientation and of LGBTQ+ legal rights. This essay is now rightfully understood as one of the first gay rights manifestos in the English language. Naomi Wolf’s *Outrages* is a critically important book, not just for its role in helping to bring to new audiences the story of an oft-forgotten pioneer of LGBTQ+ rights who could not legally fully tell his own story in his lifetime. It is also critically important for what the book has to say about the vital and often courageous roles of publishers, booksellers, and freedom of speech in an era of growing calls for censorship and ever-escalating state violations of privacy. With *Outrages*, Wolf brings us the inspiring story of one man’s refusal to be silenced, and his belief in a future in which everyone would have the freedom to love and to speak without fear. One of the Best Humor Books of 2021! (Vulture) You are a HUMAN MAN navigating every day life, dating, bus etiquette, and other important human concerns. You are definitely NOT A WOLF. Life is good. You have a job, an apartment in a nice part of town, and an online dating profile that’s recently yielded as many as three matches. From the outside, it would appear you’re a human man that has all the pieces of a stable and functional life. But you also have a horrible secret. You’re not a human man at all. You're a WOLF. Based on the immensely popular Twitter account @SickOfWolves, this interactive story follows you, (who, if anyone asks, is NOT A WOLF) as you go about normal life, making choices that will either reveal your true identity or allow

you to keep your cover. Each choice is crucial to your survival and, more importantly, your burgeoning graphic design career. Will you navigate water cooler gossip without arousing suspicion? Can you go on a date without bringing up how much you love ham? Or is it perhaps time to throw this human world to the wind and return to the woods from whence you came? A tragic mystery blending sleuthing and spirituality? An exploration in grief, suicide, spiritualism, and Inuit culture, *Winter of the Wolf* follows Bean, an empathic and spiritually evolved fifteen-year-old, who is determined to unravel the mystery of her brother Sam's death. Though all evidence points to a suicide, her heart and intuition compel her to dig deeper. With help from her friend Julie, they retrace Sam's steps, delve into his Inuit beliefs, and reconnect with their spiritual beliefs to uncover clues beyond material understanding. Both tragic and heartwarming, this twisting novel draws you into Bean's world as she struggles with grief, navigates high school dramas, and learns to open her heart in order to see the true nature of the people around her. *Winter of the Wolf* is about seeking the truth—no matter how painful—in order to see the full picture. In this novel, environmentalist and award-winning author, Martha Handler, brings together two important pieces of her life—the death of her best friend's son and her work as president of the Wolf Conservation Center—to tell an empathetic and powerful story with undeniable messages. During the starving time a wolf and a raven work together to survive. The Blood Wolf prowls near the village of Stonebriar at night. She devours chickens and goats and cows and cats. Some say children are missing. But this murderous wolf isn't the villain of our story, she's the hero! The Blood Wolf hates humankind for destroying the forest, but an encounter with a beggar teaches her a better way to confront injustice. How will she react when those she loves are threatened? This imaginative retelling of the legend of Saint Francis and the Wolf explores what it means to be a peacemaker in the midst of violence and how to restore a healthy relationship with creation. Settle in and read a tale of tooth and

sword, of beggars and lords, of outlaws and wild beasts. It is a story of second chances and the power of love. This is the story of *A Wolf at the Gate*. A note is left on a car windshield, an old dog dies, and Kent Nerburn finds himself back on the Lakota reservation where he traveled more than a decade before with a tribal elder named Dan. The touching, funny, and haunting journey that ensues goes deep into reservation boarding-school mysteries, the dark confines of sweat lodges, and isolated Native homesteads far back in the Dakota hills in search of ghosts that have haunted Dan since childhood. In this fictionalized account of actual events, Nerburn brings the land of the northern High Plains alive and reveals the Native American way of teaching and learning with a depth that few outsiders have ever captured. Sullivan Quinn didn't travel 3,000 miles from his native Ireland and his wolf pack just to chase rabidly after the most delectable quarry he's ever seen. Quinn is in America on a mission—to warn his Other brethren of a shadowy group willing to use murder and mayhem to bring them down. But one whiff of this Foxwoman's delicious honeysuckle fragrance and he knows that she is more than a colleague or a conquest...she is his mate. Anthropologist Cassidy Poe is a world-renowned authority on social interaction, but the overpowering desire she feels around Quinn defies every ounce of her expertise. Working by his side to uncover The Others' enemies poses risks she never expected—to her own safety, to those she loves, and to her heart, as every encounter with Quinn proves more blissfully erotic than the last... Now, with no one to trust but each other, Quinn and Cassidy face a foe that's edging closer every day, threatening to destroy the life they've always known, and the passion they've just discovered... Winston is barred from the library for his habit of chewing on books. ('Words are so delicious!' he says, 'Why, words taste better than roasted skunk.') Can a little girl called Rosie help Winston to break his terrible munching habit, teach him to appreciate words in other ways - and maybe even find him a new role at the library? Find out in this tasty morsel of a story. AN INSTANT NEW

YORK TIMES BESTSELLER! The first daughter is for the Throne. The second daughter is for the Wolf. An instant NYT bestseller and word-of-mouth sensation, this dark, romantic debut fantasy weaves the unforgettable tale of a young woman who must be sacrificed to the legendary Wolf of the Wood to save her kingdom. But not all legends are true, and the Wolf isn't the only danger lurking in the Wilderwood. As the only Second Daughter born in centuries, Red has one purpose—to be sacrificed to the Wolf in the Wood in the hope he'll return the world's captured gods. Red is almost relieved to go. Plagued by a dangerous power she can't control, at least she knows that in the Wilderwood, she can't hurt those she loves. Again. But the legends lie. The Wolf is a man, not a monster. Her magic is a calling, not a curse. And if she doesn't learn how to use it, the monsters the gods have become will swallow the Wilderwood—and her world—whole. "If you ever wished Beauty and the Beast had more eldritch forest monsters and political machinations, this is the romance for you."—Alix E. Harrow, author of *The Ten Thousand Doors of January* "A brilliant dark fantasy debut!" —Jodi Picoult, NYT bestselling author

Poems can weave together a dark, quirky fairy tale--and these do--that blends childish passion and adult sensibility Rolf, a small, gentle wolf, lives with Mrs. Boggins, who tells him he is a good little wolf. But when he meets up with a large, ferocious wolf, he is told that he isn't a real wolf. Wolves aren't little and good—they are big and bad. To prove he is a real wolf, the old wolf tells Rolf he must perform certain tasks, such as blowing down a little pig's house. Rolf is a total failure . . . until the big bad wolf urges him to do something unspeakable to old Mrs. Boggins. Then the good little wolf proves that he can stand up to the big bad bully. Or so it seems. More mature readers may find a different ending that could lead to a great discussion! Using familiar storybook characters and an endearing new hero, Nadia Shireen makes her debut in this winning picture book. Devin has a lot to prove. Rickey is just here for the free food. Devin's here to get

a wolf shifter as a partner. The short, loud redhead intends to be the best cop in his class and doesn't care if he gets on everyone's nerves in the process. He loves fancy sports cars and has a competitive nature. Rickey likes the van life and living by his own terms. But times have been tight for the wolf shifter lately, and signing up for this course seems like an easy way to keep the wolf from the door. All the free food he can eat, if he sits through some classes. What could go wrong? The two guys have chemistry, despite being so different. They could be friends at least, maybe partners. But there's an underlying sexual chemistry that's getting harder and harder to ignore... ~40,000 words – medium heat – standalone Rufus doesn't like school at first. He loves being a wolf and doing wolf stuff -- like running through the woods or howling at the moon. But Rufus, like all wolves, must go to school to learn real wolf work, like wearing clever disguises and speaking sheep. While Rufus learns, he also teaches: Sometimes you have to cut loose and learn to be yourself! Living in the shadow of her beautiful and talented younger sister, Lee cares for a wolf pack that needs protection from cattle ranchers. While visiting Scotland, Mandy Hope learns that the local people are upset that a nearby wildlife park has two young wolves, and she is determined to protect them, even if it involves the old wolf she spots watching her through the window, a creature no one else seems to notice. In Scotland, Mandy learns that the local people are upset that a nearby wildlife park has two young wolves, and she decides to protect them, even if it involves the old wolf she spots through the window, a creature no one else sees.

EYE TO EYE WITH DEATH: THE WOLF PROJECT Hordes of bloodthirsty wolves are slaughtering the arctic caribou, and the government's Wildlife Service assigns naturalist Farley Mowat to investigate. Mowat is dropped alone onto the frozen tundra, where he begins his mission to live among the howling wolf packs and study their ways. Contact with his quarry comes quickly, and Mowat discovers not a den of marauding killers but a courageous family of skillful providers and devoted

protectors of their young. As Mowat comes closer to the wolf world, he comes to fear with them the onslaught of bounty hunters and government exterminators out to erase the noble wolf community from the Arctic. *Never Cry Wolf* is one of the brilliant narratives on the myth and magic of wild wolves and man's true place among the creatures of nature. "We have doomed the wolf not for what it is, but for what we deliberately and mistakenly perceive it to be — the mythologized epitome of a savage, ruthless killer — which is, in reality, no more than the reflected image of ourself." — From the new Preface These are not your mother's fairy tales... Did you ever wonder how the dwarves felt after Snow White ditched them for the prince? Do you sometimes wish Cinderella hadn't been so helpless and petite? Are you ready to hear the Giant's point of view on Jack and his beanstalk? Then this is the book for you. Thirteen award-winning fantasy and science fiction writers offer up their versions of these classic fairy tales as well as other favorites, including *The Ugly Duckling*, *Ali Baba*, *Hansel and Gretel*, and more. Some of the stories are funny, some are strange, and others are dark and disturbing -- but each offers something as unexpected as a wolf at the door.
