**The Pineal Gland** Jul 31 2020 As the pineal gland was the one most recognized and written about by the earlier adepts, it is the logical beginning of any occult discussion of the endocrine chain. The epiphysis cerebri, or pineal body, secures its name from its peculiar shape (the pinus, or pine cone) and arises in the fifth week of the human embryo as a blind sac branching off from that section of the brain which is next in front of the mid-brain—the diencephalon—which includes the area of the third ventricle and adjacent parts. The distal, or remote, portion of this sac becomes the body of the gland. The proximal portion (the point of attachment or origin) remains as the stalk. Is not this pine cone the one to which E. A. Wallis-Budge refers in his *Osiris and the Egyptian Resurrection*, when in describing the entry of Ani into the presence of Osiris in the Egyptian ritual of Coming Forth by Day as “the so-called ‘cone’ on Ani’s wig,” for which the good Egyptologist could find no intelligent reason? Is this not also the whirring cone which was among the symbolic playthings of the child Bacchus and which Bastius describes as a small cone-shaped piece of wood around which a cord was wound so that it might be made to spin and give out a “humming noise”? (See *Orpheus*, by G. R. S. Mead.) Those acquainted with the esoteric function of the pineal gland or who have experienced the “whirring” sound attendant upon its activity will realize how

apt is the analogy.

### **Dion Fortune's Book of the Dead** Jan 05 2021

This handbook helps the living assist the dying at the time of death. It teaches that the living must, first and foremost, understand the process that the soul goes through before they can help the spirit in its transition. Dion Fortune's *Book of the Dead* is a clear, concise, illuminating guide that explains the stages in the natural process of dying that each and every soul passes through from this world to the next. Fortune shows how traditional customs connected with the passing of a soul have their roots in psychic fact. For example, we place candles and fresh flowers in the death chamber as soon as the soul has departed because they provide sufficient etheric emanations to meet the needs of the "etheric double," assisting in the soul's disentanglement from the physical. Without the flowers and candles, the etheric body will draw its vitality from any available source, including grievers. Loved ones in particular are susceptible to depletion and can be drained dry in their ignorance. The living, Fortune writes, have two tasks to perform: "We must see to it that dust returns as swiftly and harmoniously as possible, giving rise to none of the happenings which may be termed the pathologies of death," and "we ought to follow up the departing soul with the right kind of telepathic communication until it is safely established on the

Other Side."

**The Sea Priestess** Feb 18 2022

Talking to the Gods Oct 22 2019 Explores occultism in the writings of four authors who were members of the Hermetic Order of the Golden Dawn. Talking to the Gods explores the linkages between the imaginative literature and the occult beliefs and practices of four writers who were members of the Hermetic Order of the Golden Dawn. William Butler Yeats, Arthur Machen, Algernon Blackwood, and Dion Fortune were all members of the occult organization for various periods from 1890 to 1930. Yeats, of course, is both a canonical and well-loved poet. Machen is revered as a master of the weird tale. Blackwood's work dealing with the supernatural was popular during the first half of the twentieth century and has been influential in the development of the fantasy genre. Fortune's books are acknowledged as harbingers of trends in second-wave feminist spirituality. Susan Johnston Graf examines practices, beliefs, and ideas engendered within the Hermetic Order of the Golden Dawn and demonstrates how these are manifest in each author's work, including Yeats's major theoretical work, *A Vision*.

*Practical Occultism* Jan 25 2020

**Psychic Self-Defense** Jul 11 2021 After finding herself the subject of a powerful psychic attack in the 1930's, famed British occultist Dion Fortune

wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic selfdefense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the 20th century.

The Demon Lover Mar 19 2022 The Demon Lover was first published in 1927, the same year as H.P. Lovecraft's The Call of Cthulhu. Dion Fortune was among a generation of occult horror writers that formed popular culture's obsession with secret societies, vampires, demons, ritual magic, and dark powers lurking in the shadows. What sets Fortune apart from so many of her contemporaries is her deep knowledge of the inner workings of magical orders, rites, and practices, and her own freethinking on occult subjects, demonstrated in the classic Psychic Self-Defense and The Mystical Qabalah.

Moon Magic Jan 29 2023 'First published in 1938 and 1956, neither Sea Priestess nor Moon Magic have been out of print and are enduring favorites among readers of esoteric fiction. 'New packages

will update these classic novels and introduce them to a new generation of readers.

Dion Fortune's Moon Magic Sep 13 2021

**The Winged Bull** Sep 25 2022 The Winged Bull is a tale of magic and sexuality. Down on his luck, Ted Murchison invokes the Winged Bull, a god of ancient Babylon, to come to his aid. Immediately, he is drawn into a vortex of weird events in which he is asked to rescue the daughter of an old friend from the clutches of a black magician.

**The Training & Work of an Initiate** Feb 24 2020 The Training and Work of an Initiate shows how, from ancient Qabalistic, Greek, and Egyptian roots, the Western Esoteric Systems have an unbroken initiation tradition that has been handed down from adept to neophyte. In this book, Dion Fortune

indicates the broad outlines and underlying principles of these systems, illuminating an obscure and greatly misunderstood aspect of the path. Thanks to her teaching, even if you cannot give your entire life over to the pursuit of esoteric science, you can still develop a philosophy of life and learn your individual relationship to the cosmic whole. You will discover how initiates prepare body, mind, and spirit for the challenging journey that is the esoteric path, what the path of initiation looks like, and what it is to be called to this work. The book is filled with accessible information, presented in a way so that "even that which the smallest cup can carry away is the true water of life". This revised edition contains a new foreword by Gareth Knight, and an index.

The Keys to the Temple May 29 2020 Dion

Fortune's esoteric novels were written as guides to magic and inner development to be used along with her great nonfiction work *The Mystical Qabalah*. This book shows how to work with her most popular creations, exploring how the stories and characters can help you integrate the secrets of the Tree of Life and discover what Fortune called "the keys to the temple." Authors Penny Billington and Ian Rees show how to use Fortune's brilliant insights to gain a direct sense of being present in your body, master the art of the embodied imagination, discover your vitality, and open up to the clarity and love that arise from the root of your being. With an

exploration of Fortune's writings, experiential practices, and a hands-on workbook section, you will learn to utilize the wealth of esoteric wisdom found in *The Mystical Qabalah*, *The Goat-Foot God*, *The Sea Priestess*, *The Winged Bull*, and *Moon Magic*. Praise: "This wonderful evocation of Dion Fortune's esoteric novels offers initiatory and practical pathways to the neophyte and reader!"—Caitlín & John Matthews, authors of *The Lost Book of the Grail Cerimonial Magic Unveiled* Mar 07 2021

**Through The Gates Of Death** Oct 02 2020 Death is a universal experience. No one can hope to escape. It is only a matter of time till it comes to each one of us and each one of those we love. Yet what is it that makes such a natural process so terrible? Most death beds are peaceful when the time comes, so what, then, is it we fear in death that it should be for us a thing of grief and dread? In *Through the Gates of Death*, Dion Fortune presents a dynamic assessment of what really happens when the soul finally separates from the physical body, revealing the knowledge that constituted the supreme degree of the Egyptian mysteries. *Spiritism in the Light of Occult Science* is Dion Fortune's in-depth study of a phenomenon which swept the world of her day. It covers all aspects of the subject including *Communication with the Departed*, *the Psychology of Trance-Mediumship*, *The Physical and Mental Phenomena of Trance* and *the Dawn of the*

Higher Consciousness.

**The Mystical Qabalah** Aug 24 2022 An occult classic and a Dion Fortune bestseller of strongly growing interest. Fortune was one of the first to bring this “secret tradition” to a wider audience with her clear and comprehensive exploration of the Qabalah tradition. The Mystical Qabalah remains a classic in its clarity, linking the broad elements of Jewish traditional thought—probably going back to the Babylonian captivity and beyond—with both Eastern and Western philosophy and later Christian insights. The Qabalah could be described as a confidential Judaic explanation of the paradox of “the Many and the One”—the complexity and diversity within a monotheistic unity. Whereas the Old Testament outlines the social and psychological development of a tightly knit “chosen group” culture, the supplementary Qabalah provides a detailed plan of the infrastructure behind the creative evolutionary process. The Mystical Qabalah devotes a chapter to each of the ten schematic “God-names,” the qualities or Sephiroth which focus on the principal archetypes behind evolving human activity: the Spiritual Source; the principles of Force and Form; Love and Justice; the Integrative principle or the Christ Force; Aesthetics and Logic; the dynamics of the Psyche; and, finally, the Manifestation of life on Earth in a physical body.

**Aspects of Occultism** Oct 14 2021 When Dion

Fortune wrote *Aspects of Occultism*, "occultism" was an umbrella word used to describe hidden lore, secret traditions, and arcane knowledge. Today, when the word "occult" is often confused for "cult," and all its negative aspects, Fortune's essays would be better referred to as "esoteric studies." In this book she discusses evocative magic, the sites of Druid worship, parallels between Christianity and the Qabalah, the astral plane, auras, spiritual healing, power cycles, and our relationship with the Higher Self. This revised edition includes a new introduction by Gareth Knight, an index, and an additional essay by Fortune-"The Myth of the Round Table." People familiar with Fortune's work will love this book!

**Practical Occultism in Daily Life** Dec 24 2019

**Esoteric Orders and Their Work** Jan 17 2022

*Esoteric Orders and their Work* examines how and why esoteric schools have restricted admission to their secret societies and orders, and shrouded their practices in mystery. The knowledge guarded by these schools--passed down through the ages, and revised from time to time by great teachers--is a secret traditional science that studies the causes that lie behind observable phenomena. Dion Fortune reveals every aspect of these secret organizations and the training they offer to initiates.

**Dion Fortune and the Inner Light** May 09 2021

Dion Fortune played a significant role in modern

esotericism, and we are indebted to Gareth Knight for this intriguing biography. *Dion Fortune & the Inner Light* is enthusiastically recommended to anyone interested in the western esoteric tradition and in the colorful individuals who contributed to it over the last 100 years.

**Dion Fortune's Applied Magic ; And, Aspects of Occultism** Dec 16 2021 This volume brings together 2 books: *Applied magic* - a selection of writings on the practical applications of magical and occult techniques, and: *Aspects of occultism* - looking at 9 specific aspects of the Western Mystery Tradition including god and the Gods, Sacred Centres and the Astral Plane.

**The Magical Battle of Britain** Nov 27 2022 Immediately following Britain's declaration of war in 1939, Dion Fortune began a series of regular letters to members of her magical order, the Fraternity of the Inner Light, who were unable to hold meetings due to wartime travel restrictions. With enemy planes rumbling overhead, she organised a series of visualisations to formulate "seed ideas in the group mind of the race", archetypal visions to invoke angelic protection and uphold British morale under fire. "The war has to be fought and won on the physical plane," she wrote, "before physical manifestation can be given to the archetypal ideals. What was sown will grow and bear seed." As the war developed, this was consolidated with further work

for the renewal of national and international accord. For the first time the Fraternity's doors were opened to anyone who wanted to join in and learn the previously secret methods of esoteric mind-working. With unswerving optimism she guided her fraternity through the dark days of the London Blitz, continuing her weekly letters even when the bombs came through her own roof. Introduction and commentary by Gareth Knight.

**Aleister Crowley and Dion Fortune** Jun 22 2022  
Aleister Crowley and Dion Fortune were two of the most controversial and powerful occultists of the 20th century. Crowley was regarded by many as a creature of the night, albeit one whose soul was streaked with brilliance; Fortune was viewed as one of the Shining Ones, who nevertheless wrestled with her own darkness. Between them they produced some of the best books on magick ever written, and their influence upon contemporary magicians has been profound. Written by occult scholar Alan Richardson, this unusual and provocative book draws upon unpublished material to reveal little-known aspects of Crowley and Fortune's relationship, and their role as harbingers of sweeping cultural changes--foreshadowing the women's movement, the sexual revolution, and 1960s counterculture--as well as other surprising influences upon our present culture.

**Introduction to Ritual Magic** Dec 28 2022 Each

chapter is supplemented and expanded by a companion chapter on the same subject by Gareth Knight. In Dion Fortune's day the conventions of occult secrecy prevented her from being too explicit on the practical details of magic, except in works of fiction. These veils of secrecy having now been rolled back, Gareth Knight has taken the opportunity to fill in much practical information that Dion Fortune might well have included had she been writing today. In short, in this unique collaboration of two magical practitioners and teachers we are presented with a valuable and up-to-date text on the practice of ritual or ceremonial magic "as it is". That is to say, as a practical, spiritual and psychic discipline, far removed from the lurid superstition and speculation that are the hallmark of its treatment in sensational journalism and channels of popular entertainment.

**Applied Magic and the Occult Path (Aziloth Books)** Nov 22 2019 Dion Fortune ranks among the very best writers on magical topics, respected as much for her level-headed attitude as for her obvious mastery of the subject. Born Violet Mary Firth in 1890, she showed psychic abilities from the age of four, and, after a period with the Theosophical Society, leaned more towards occultism, joining the initiatory order 'Alpha et Omega' and later the 'Stella Matutina', eventually founding her own order 'The Society of the Inner

Light', which continues to this day. This book contains a selection of essays published by Dion Fortune in 'The Inner Light' magazine at various times between late 1920 and 1940, enhanced with three especially relevant chapters extracted from two of her earlier works: 'Sane Occultism' and 'Esoteric Orders and Their Work'. A book for all those interested in the theories underpinning the occult world-view and its practical applications.

**Priestess** Oct 26 2022 Dion Fortune was the pen-name of Violet Firth, one of the most luminous and striking personalities of the 20th Century, the woman's answer to Aleister Crowley. This new, revised, expanded and beautifully-written edition tells the full story of a woman who hid behind a veil of secrecy and who became a cult figure in the years after her death in 1946. A brilliant writer and pioneer psychologist, her whole life was devoted to living out an eternal Myth in a story that can be told in terms of Virgins and Dragons, Moons and Oceans, and the spirit of the land itself. As a powerful psychic and medium, obsessed with the study and practice of Magic, and a high-grade initiate within the Hermetic Order of the Golden Dawn, her career was never entirely in this world, and her companions not always human. In her own eyes she was a Priestess, a channel for the Great Goddess, an exponent of the time-lost Mysteries of Women long before the present generations of feminists and

goddess-worshippers were ever born. Includes: her birth in Llandudno, Wales her years in Somerset, the patterns of her life her early career as a psychoanalyst her nervous breakdown her time as a Land Girl her developing psychism her memories of past lives on Atlantis her relationships with Inner Plane beings her romance with a man she believed to be non-human her fraught marriage to a doctor whom everyone knew as Merlin the foundation of her own group of Western Mysteries her occult battles against the Nazis

**The Secrets of Doctor Taverner** Feb 06 2021  
Death hounds, shape shifters, and vampires are among the patients treated by the Holmes-like Dr. Taverner and his assistant Dr. Rhodes in this work of supernatural fiction by acclaimed spiritualist and occult writer Dion Fortune. First published in 1926, the adventures of Dr. Taverner and Dr. Rhodes take readers across the marshy moonlit fields of nightfall, hunting spirits and keeping watch over souls. Suffering from vampirism? Being stalked by a death hound? Haunted by past life debts? Family under a suicidal curse? From across the countryside patients and their desperate families come to seek treatment for unconventional diseases from an unconventional doctor. His secret? Treating the diseases of the occult. Though Fortune wrote *The Secrets of Doctor Taverner* as her first novel, she maintained that all the events were based on true occurrences. Many

believe Taverner to be Fortune's own spiritual teacher, Dr. Moriarty, and Rhodes to be based on Fortune herself. An essential and fun read for anyone interested in the Western Mystery Tradition, Dion Fortune, the melding of medicine and magic, or just good old-fashioned paranormal fiction.

*Dion Fortune's Rites of Isis and of Pan* Nov 15 2021  
Dion Fortune encoded much practical magical lore within her novels, leaving it up to the reader to work out how to make use of it. Behind the novels were two major rituals, the Rite of Isis and the Rite of Pan, which Dion Fortune occasionally performed in public in the 1930s as part of her drive to open up occultism beyond the closed walls of esoteric fraternities. Now for the first time, these important magical workings have been released from her society's archive in their complete and original form. Edited and explained by Gareth Knight, this book contains the full text of the original Rite of Isis and Rite of Pan which formed the basis for Dion Fortune's *Moon Magic*, *The Goat-Foot God*, and *The Sea Priestess*. Further archive material elucidates the practical magical principles found in *The Winged Bull*. The book is supplemented by several articles written by Dion Fortune in the 1930s which shed further light on the practical content of her novels, including the essay *Ceremonial Magic Unveiled*, a review of the work of Israel Regardie in which she gives her views on the controversies within the

Golden Dawn and frankly describes her own falling out with Moina MacGregor Mathers.

*The Cosmic Doctrine* Apr 20 2022 Over seventy-two years ago, beginning at the Vernal Equinox in Glastonbury, Fortune started receiving communications from the Inner Planes concerning the creation of the universe, the evolution of humanity, natural law, the evolution of consciousness, and the nature of mind. This is her record, in a revised edition, and includes previously unpublished material that is still relevant today!

The King in Orange Apr 27 2020 • Details the magical war that took place behind the scenes of the 2016 election • Examines in detail the failed magical actions of Trump's opponents, with insights on political magic from Dion Fortune's war letters • Reveals the influence of a number of occult forces from Julius Evola to chaos magick to show how the political and magical landscape of American society has permanently changed since the 2016 election Magic and politics seem like unlikely bedfellows, but in *The King in Orange*, author John Michael Greer goes beyond superficial memes and extreme partisanship to reveal the unmentionable realities that spawned the unexpected presidential victory of an elderly real-estate mogul turned reality-TV star and which continue to drive the deepening divide that is now the defining characteristic of American society. Greer convincingly shows how two

competing schools of magic were led to contend for the presidency in 2016 and details the magical war that took place behind the scenes of the campaign. Through the influence of a number of occult forces from Julius Evola to chaos magicians, as well as the cult of positive thinking, Greer shows that the main contenders in this magical war were the status quo magical state, as defined by the late scholar Ion Couliano, which has repurposed the “manipulative magic” techniques of the Renaissance magi into the subliminal techniques of modern advertising, and an older, deeper, and less reasonable form of magic--the “magic of the excluded”--which was employed by chaos magicians and alt-right internet wizards whose desires coalesced in the form of a frog avatar that led the assault against the world we knew. Examining in detail the magical actions of Trump’s opponents, with insights on political magic from occultist Dion Fortune’s war letters, the author discusses how the magic of the privileged has functioned to keep the comfortable classes from being able to respond effectively to the populist challenge and how and why the “Magic Resistance,” which tried to turn magic against Trump, has failed. Showing how the political and magical landscape of American society has permanently changed since the 2016 election cycle, Greer reveals that understanding the coming of the King in Orange will be a crucial step in making sense of the world for a

long time to come.

**The Machinery of the Mind** Jun 29 2020

**Glastonbury** Nov 03 2020 A description of Glastonbury that remains one of the most evocative and poignant accounts of this wild yet holy place; a power center polarizing with distant Jerusalem and linking and harmonizing the Christian way with the primeval and pagan past of England.

**Applied Magic** Mar 02 2023 Contents 1. The Occult Way 2. Some Practical Applications of Occultism 3. The Group Mind 4. The Psychology of Ritual 5. The Circuit of Force 6. The Three Kinds of Reality 7. Non-humans 8. Black Magic 9. A Magical Body 10. The Occult Field Today 11. Esoteric Glossary

Aspects of Occultism Jul 23 2022 When Dion Fortune wrote *Aspects of Occultism*, "occultism" was an umbrella word used to describe hidden lore, secret traditions, and arcane knowledge. Today, when the word "occult" is often confused for "cult," and all its negative aspects, Fortune's essays would be better referred to as "esoteric studies." In this book she discusses evocative magic, the sites of Druid worship, parallels between Christianity and the Qabalah, the astral plane, auras, spiritual healing, power cycles, and our relationship with the Higher Self. This revised edition includes a new introduction by Gareth Knight, an index, and an additional essay by Fortune-"The Myth of the Round

Table." People familiar with Fortune's work will love this book!

The Secrets Of Dr. Taverner Sep 01 2020 Death hounds, shape shifters, and vampires are among the patients treated by the Holmes-like Dr. Taverner and his assistant Dr. Rhodes in this work of supernatural fiction by acclaimed spiritualist and occult writer Dion Fortune. First published in 1926, the adventures of Dr. Taverner and Dr. Rhodes take readers across the marshy moonlit fields of nightfall, hunting spirits and keeping watch over souls. Suffering from vampirism? Being stalked by a death hound? Haunted by past life debts? Family under a suicidal curse? From across the countryside patients and their desperate families come to seek treatment for unconventional diseases from an unconventional doctor. His secret? Treating the diseases of the occult. Though Fortune wrote The Secrets of Doctor Taverner as her first novel, she maintained that all the events were based on true occurrences. Many believe Taverner to be Fortune's own spiritual teacher, Dr. Moriarty, and Rhodes to be based on Fortune herself. An essential and fun read for anyone interested in the Western Mystery Tradition, Dion Fortune, the melding of medicine and magic, or just good old-fashioned paranormal fiction.

Dion Fortune's Book of the Dead Dec 04 2020 This handbook helps the living assist the dying at the time of death. It teaches that the living must, first

and foremost, understand the process that the soul goes through before they can help the spirit in its transition. Dion Fortune's *Book of the Dead* is a clear, concise, illuminating guide that explains the stages in the natural process of dying that each and every soul passes through from this world to the next. Fortune shows how traditional customs connected with the passing of a soul have their roots in psychic fact. For example, we place candles and fresh flowers in the death chamber as soon as the soul has departed because they provide sufficient etheric emanations to meet the needs of the "etheric double," assisting in the soul's disentanglement from the physical. Without the flowers and candles, the etheric body will draw its vitality from any available source, including grievers. Loved ones in particular are susceptible to depletion and can be drained dry in their ignorance. The living, Fortune writes, have two tasks to perform: "We must see to it that dust returns as swiftly and harmoniously as possible, giving rise to none of the happenings which may be termed the pathologies of death," and "we ought to follow up the departing soul with the right kind of telepathic communication until it is safely established on the Other Side."

Goat Foot God Jun 10 2021 An original novel in which the 15th and 20th centuries meet with uncanny results, due to the invocation of Pan. This

work is of special interest to students of magic and the Western Mystery Tradition.
